A significant feature of an agency relationship is that the agent by his act and agency affects the principalâ€™s legal position towards third parties. The law recognizes the agency device and the rules relating to the conduct of activity through

4. Law of Agency 4.1. Creation and termination of Agency

agency problem is how to give the agent incentives for the right action; for the lawyer, it is how to mop up the damage when the agent has taken the wrong action. The paradigmatic problem involves not just principal and agent, but a third party.⁶ The agent's misbehavior may not have any direct adverse effect on the principal. The principal is not in the schoolbus that is wrecked by the agent, and unless the law enforces the contract, he is unhurt by the agent's foolish or unauthorized ...
