Introduction to Sociology is a featured book on Wikibooks because it contains substantial content, it is well-formatted, and the Wikibooks community has decided to feature it on the main page or in other places.

Introduction to Sociology - Wikibooks, open books for an open world

In his book "Society, ... sociology should merely be interpretative understanding of social actions and nothing beyond that. Former or Specialist School of Thought: There are two main schools of thought about the scope of sociology. Formal school of thought believes that scope of sociology should not be generalized but confined to the study of some specific aspects of society. The exponents of this school wish to keep the subject pure and independent. According to them it should deal with ...
