This is an update/revision to a previously published work under the same title, Broken World. As with the entire series, these novellas are misnamed, as they are three parts of an entire work. I thought this novella was stronger than the first part, as the main character, Mia, actually experiences some character development. There's more structure to this story.

Broken World by Chloe Adams (Lizzy Ford) is a terrific win. It could have used another read through editorially, typos and such, but the characters and story line is strong. I wish this were a trilogy because I really want the rest of the story.
