Social identity is the portion of an individual's self-concept derived from perceived membership in a relevant social group. As originally formulated by social psychologists Henri Tajfel and John Turner in the 1970s and the 1980s, social identity theory introduced the concept of a social identity as a way in which to explain intergroup behaviour.

Social identity theory - Wikipedia

Reading stamina is a child's ability to focus and read independently for long-ish periods of time without being distracted or without distracting others.
