BUILDING BUSINESS ACUMEN - Women's Innovation Network

business acumen has made the communication of financial results to employees easier and more effective. Business Acumen: A Definition Very simply, business acumen is the understanding of what it takes for a business to make money. It involves financial literacy, which is an understanding of the numbers on financial statements, as well as an understanding of the strategies, decisions and actions that impact these numbers. Someone with financial literacy, for example, would be able to "read ...
