Guide to Starting and Operating A Small Business

Beginners' Guide to Analytics. We live in a data rich, data driven world. Data is revolutionizing business in ways we never conceived. So much of what we do is being recorded and stored somewhere. Companies big and small, in traditional and non-traditional sectors, are using data to understand their customers better. Data is helping with better targeting and improved customer experiences. The insights gained from analyzing data is helping companies identify new growth areas and product ...
