

california government and politics pdf

The government of California is the governmental structure of the state of California as established by the California Constitution. It is composed of three branches: the executive, consisting of the Governor of California and the other constitutionally elected and appointed officers and offices; the legislative, consisting of the California State Legislature, which includes the Assembly and the Senate; and the judicial, consisting of the Supreme Court of California and lower courts.

Government of California - Wikipedia

Available from Solano Press The most comprehensive treatment of local government finance in any state that I have ever seen. This guide will prove useful to elected and appointed local government officials, business leaders, reporters, students, faculty, and others who are struggling to understand the highly complex world of local government finance in California.

The California Local Government Finance Almanac

The Big Five is an informal institution of the legislative leadership role in California's government, consisting of the governor, the Assembly speaker, the Assembly minority leader, the Senate president pro tempore, and the Senate minority leader.

Politics of California - Wikipedia

The California State Legislature is the state legislature of California. It is a bicameral body consisting of the lower house, the California State Assembly, with 80 members, and the upper house, the California State Senate, with 40 members.
