The name America was first recorded in 1507. Christie's auction house says a two-dimensional globe created by Martin WaldseemÃ¼ller was the earliest recorded use of the term. The name was also used (together with the related term Amerigen) in the Cosmographiae Introductio, apparently written by Matthias Ringmann, in reference to South America. It was applied to both North and South America by Gerardus Mercator in 1538.
