Faculty, students and graduates of Iowa State University's Department of Chemical and Biological Engineering impact the world in countless ways – with work involving consumer products, fuels, biorenewable energy, medical and health care advancements and much more – incorporating the disciplines of engineering, math and chemistry.

Welcome to the Department of Chemical and Biological Engineering (CBE)

The Department of Chemical Engineering and Biotechnology at Cambridge University is one of the UK's leading research departments, ranking highly in both national and international University league tables. The department's research strategy responds to the global drive for sustainability, addressing the need for novel chemical engineering and biotechnology processes and materials.
