Traditional Medicines and Traditional Healers in South Africa Discussion paper prepared for the Treatment Action Campaign and AIDS Law Project Marlise Richter Researcher: AIDS Law Project richterm@law.wits.ac.za 27 November 2003 . Executive Summary Traditional healers have a crucial role to play in building the health system in South Africa and strengthening and supporting the national response to HIV/AIDS. This paper sketches a background to traditional healing in South Africa and discusses ...

### **Traditional Medicines and Traditional Healers in South Africa**

Traditional healing used to be concentrated a lot in the rural areas of Africa because of the inclination towards traditional way of living in those areas. However, in the 21 st century the situation has changed.

### **Towards integration of traditional healing and western healing: Is this**

Traditional African healing has been in existence for many centuries yet many people still seem not to understand how it relates to God and religion/spirituality. Some people seem to believe that traditional healers worship the ancestors and not God. It is therefore the aim of this paper to clarify
