Discovering Our Personality Style Through TRUE COLORS ... four colors or stylesâ€”a spectrum. There are no bad or good colors. There are wide individual variations within each color spectrum. Each of us has a different and unique personality; however, there are commonalities that we share. True Colors is an attempt to identify various personality styles and label them with colors. This model of categorizing personality styles is based on many years of work by other researchers and ...

PERSONAL STYLE INVENTORY R. Craig Hogan and David W. Champagne . Just as every person has differently shape feet and toes from every other person, so we all have differently "shaped" personalities. Just as no person's foot shape is "right" or "wrong," so no person's personality shape is right or wrong. The purpose of this inventory is to give you a picture of the shape of your preferences, but that shape, while different from the shapes of other persons' personalities, has ...
