comedy horror films a pdf
This article's lead section does not adequately summarize key points of its contents. Please consider expanding the lead to provide an accessible overview of all important aspects of the article.

List of comedy horror films - Wikipedia
Comedy is a genre of film in which the main emphasis is on humour. These films are designed to make the audience laugh through amusement and most often work by exaggerating characteristics for humorous effect. Films in this style traditionally have a happy ending (black comedy being an exception).
