How to Write Great Essays focuses on the topics most important to you now. You won't find a comprehensive guide to mechanics, but instead you will get short but thorough lessons on the most common errors made in grammar, spelling, usage, and how to prevent and correct these errors. Every chapter is designed to relate directly to your essay, giving you the knowledge and the know-how you need to succeed. The book is divided into seven chapters, with the first five covering different aspects of ...

How to Write Great Essays - Macomb Intermediate School District

Coming to know the criteria used in evaluating writing offers students the language, the aptitude, and the discursive strategies or tactics needed to perform under various conditions. Such knowledge turns student writers into responsive writers.

Coming to know criteria: The value of an evaluating writing course for

In many ways Simon is a competent writer and learner, and yet he needs to know more about spelling. Janet White analyses his strengths and looks closely at what he still needs to learn.
