Religious violence in India - Wikipedia

Education in India, particularly school education has been an important medium for the construction of identity in individuals who form the larger part of society. Since, education and pedagogy applied in schools has a deep impact on individual

Pedagogy and the Construction of Communal Identity in Children: The

This collection of seminal essays provides a useful and stimulating introduction to the debates surrounding identity-politics in modern India. Through the selected articles, each of which discusses different aspects of the central debate, the volume stresses the need to stay away from an 'essentialist' definition of identity, a view particularly significant in India today; and it concludes that communal identity, though imagined and constructed, is nevertheless not unreal.
