PII is mandatory for all CPA Australia Public Practice Certificate holders, as well as other members providing public, honorary or private accounting services, whether paid or unpaid.

Public accounting insurance | CPA Australia

Australian corporations law has historically borrowed heavily from UK company law. Its legal structure now consists of a single, national statute, the Corporations Act 2001. The statute is administered by a single national regulatory authority, the Australian Securities and Investments Commission ("ASIC").

Corporate social responsibility (CSR, also called corporate sustainability, sustainable business, corporate conscience, corporate citizenship, conscious capitalism, or responsible business) is a type of international private business self-regulation. While once it was possible to describe CSR as an internal organisational policy or a corporate ethic strategy, that time has passed as various international laws have been developed and various organisations have used their authority to push it ...
