In How Successful People Think, Maxwell discusses the 11 skills that good thinkers exhibit and describes how to adopt these skills. Getting Started with Better Thinking For a person to change the way they think, they must commit time to an ongoing process that is comprised of six steps: 1. Finding good input to start the thinking process. The thinking process can be initiated by absorbing good ideas from books, trade magazines, or lectures. When an idea catches one's attention, Maxwell ...
