Defendant has been charged with 12 counts of aggravated murder, relating to the deaths of four victims that
occurred in the 1980s. He was brought to the police station for questioning regarding those offenses in
October 2015, and the present appeal concerns the trial court's suppression of evidence derived from a
two-day interrogation.

In The Shadows of Glories Past Jihad for Modern Science in Muslim Societies, 1850 to The Arab Spring, 1st Edition. By John W. Livingston. The title of this volume implies two things: the greatness of the scientific tradition that Muslims had lost, and the power of the West, in whose threatening shadow reformers now labored to modernize in order to defend themselves against those very powers they were taking as models.

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date youâ€™re citing.
