Pakistan occupies a paradoxical, even contradictory place in American foreign policy. Nominally a strategic ally in the war on terror, it is the third-largest recipient of US aid in the world. At the same time, it is run by its military and intelligence service—whose goals certainly do not always overlap with US priorities. This book offers a close look at what the rise of the military has meant for Pakistani society. Ayesha Siddiqa shows how entrenched the military has become, not just in ...
